Salt Lake City, UT 84111

Dear Friends,

On behalf of those who participate in our programs, Board of Directors and staff at the National Ability Center, our deepest thanks to you for the generous **donation of \$49.92.**

Your generous investment in our mission makes a lasting impact on our organization. Since inception in 1985, the National Ability Center has grown to provide thousands of lessons in more than a dozen different sports and recreational activities each year. Within the just the past year, our programs served 3,000 individuals and, indirectly, more than 12,000 family members/caregivers. These programs reach participants from all 50 US states and 6 countries around the globe and empower children and adults of all abilities to realize their greatest potential.

Thank you again for supporting the National Ability Center and your commitment to serve those in need. Working together, we can succeed in empowering individuals of all abilities by building self-esteem, confidence, and lifetime skills through sport, recreation and educational programs and make a profound difference in the lives of those living with disability - locally, nationally and globally.

Warmest regards,

Gail Loveland  
*Executive Director*

Denise Bégue  
*Director of Advancement*
