Dear Ms. Turley,

We are so very grateful for the \$10,654.85 contribution made to Primary Children's Hospital by those who gave through the Utah State Employees' Charitable Fund. Every penny of this gift will be used to further the care of children battling cancer, heart defects, neurological disorders and many other illnesses and injuries.

Recently we asked a 6-year-old cancer patient what he thought a miracle was. With wisdom beyond his years he replied, "*Something that's impossible becomes possible.*" Applying that logic, we see miracles happen every day at Primary Children's Hospital because of support such as yours.

We thank you from the bottom of our hearts for your many years of generous support and for making the impossible *possible* for children and their families.

Warmest regards,

Sharon A. Goodrich
Foundation Director
