Dear Friends:

Thank you for this generous contribution of \$1,586.81, representing the charitable payroll designations by state employees through the Utah State Employee's Charitable Fund Campaign 2013. This donation is given to help support the work of Shriners Hospitals for Children, Salt Lake City. These funds will help us provide the care that will enable children with orthopaedic conditions to reach their full potential.

We are proud to be one of the 22 Shriners Hospitals for Children, an international health care system dedicated to improving the lives of children up to age 18. Shriners Hospitals for Children, Salt Lake City, has been providing crucial medical care for children with pediatric orthopaedic conditions for more than 85 Years, regardless of anyone's ability to pay.

It is only through the generosity of donors like Utah State Employee's Charitable Fund that we can continue to provide the best medical care for the patients in our hospitals. This donation to the hospital is especially appreciated during these challenging times. In accordance with IRS rules, we confirm that Utah State Employee's Charitable Fund has received no goods or services in exchange for this gift.
