Dear Tiffany,

On behalf of the entire staff and Board of Directors of Wasatch Community Gardens, I am writing to thank you and the participating state employees for the contribution of \$241.02, which we received on May 1, 2014. Please pass along our sincere gratitude to everyone who made this gift possible.

Support from the community allows us to continue to empower people of all ages and incomes to grow and eat healthy, organic, local food. In the coming year, this support will enable us to:

- Support more than **30 community gardens** in our Garden Network, allowing more than **800 individuals, groups, or families** – including 130 refugee families – to grow their own organic produce;
- Provide opportunities for more than **1,500 primarily low-income youth** to learn about growing and eating healthy food in our youth gardens; and
- Offer more than **50 gardening and sustainable food workshops** to more than **800 community members** on a variety of topics ranging from starting a community garden to canning and preserving produce.

Thank you again for your support of our work!

Sincerely,

Ashley
