Dear Community Friends:

With the arrival of spring, we feel renewed life all around us. Flowers are blooming, birds are singing and we feel a call to head outdoors and experience the renewed life around us.

This is also the desire for our homeless friends: that they would experience new life. A hot meal, warm shower, clean clothes and safe shelter can be all the encouragement a homeless person needs to start changing his or her life.

This desire for a fresh start will cause many to join our New Life Recovery Program, where they will receive daily counseling, spiritual encouragement, work therapy and, ultimately, a pathway off the streets and into their own home.

So thank you for supporting the Rescue Mission and donating \$145.00 to help us serve those hot meals, provide warm showers, clean clothes, safe shelter and a way for our homeless friends to permanently leave their life on the streets behind them. Your generosity enables all we do at the Rescue Mission and is creating new lives.

God bless you,

Chris D Croswhite
Executive Director
