Dear Tiffany,

Thank you for supporting Ronald McDonald House Charities of the Intermountain Area (RMHC) and helping to improve the lives of nearly 1,700 families who will stay at the Ronald McDonald House in Salt Lake City this year. Far from home and faced with the unimaginable, families who find themselves at our door are always grateful, truly humbled and even astonished, that someone they don't know is willing to provide a "home away from home" so that they can remain near their child's bedside.

Your contribution to RMHC through the generosity of state employees means that a mother, father, sibling or grandparent can be there to wrap a child in a familiar hug and murmur words of encouragement and love during the seemingly interminable hospital days. This gift will help nurture parents and caregivers who, exhausted at the end of their long days, will find not only a warm bed, but nourishing food, restorative activities and above all else, comfort and kindness. Your kind support allows families to focus on what is most important – their children.

Please accept our thanks on behalf of all the children and families who will benefit from your generosity. To learn more about RMHC and other ways to get involved, please visit us online at [www.ronaldmcdonaldhouseutah.org](http://www.ronaldmcdonaldhouseutah.org).

In gratitude,
