Dear Friends,

Thank you for this generous gift of \$147.00, which the Utah State Employees' Charitable Fund has given to help support the work of Shriners Hospitals for Children, Salt Lake City. This donation helps us provide the care that will enable children with orthopaedic conditions to reach their full potential.

We are proud to be one of the 22 Shriners Hospitals for Children, an international health care system, dedicated to improving the lives of children up to the age of 18, regardless of anyone's ability to pay. We realize it is the generosity of donors like the Utah State Employees Charitable Fund that enables us to continue caring for the patients in our hospital.

This donation is especially appreciated during these challenging times. In accordance with IRS rules, we confirm that the Utah State Employees Charitable Fund has received no goods or services in exchange for this gift. Please consider this letter as confirmation for tax records.

Thank you for this loyal and sustained generosity. You think of this gift as a donation, but to the children we serve, it is **Love to the rescue**.

If I can be of any assistance in any way, please don't hesitate to contact me at 801.536.3700 or kmartin@shrinenet.org.

Sincerely,
