Dear Cynthia,

On behalf of Iron County Care and Share, please accept my sincere thanks for your support throughout the 2013 year.

Because of generous donors like you who make our efforts possible, over 4,000 adults and children in Iron County did not have to wonder where their next meal would come from, or where they would sleep at night. We would not have been able to reach as many households in crisis without supporters like you, and your contributions were greatly appreciated.

Your combined tax-deductible donations in 2013 totaled \$856.44.

Should you have any questions regarding your donation history, please do not hesitate to contact me at (435) 586-4962. Thank you so much for joining with us to help achieve our mission of providing compassionate assistance and resources to individuals and families in need.

Here's to continuing to make great things happen in 2014!

Sincerely,

Joy Jankowiak  
Executive Director
